

Nature's Fun Association – Special Board Meeting

March 16, 2020

Present: Tom Frederick, President; Ali Robinson, Secretary; Kelley Cameron, Treasurer; Janice Perry, Director of Entertainment. Quorum was met.

Tom called the meeting to order at 8:43 a.m.

As conditions deteriorate health wise around the country due to the Corona virus, Misty has decided to cancel the Owners Appreciation Dinner and Dance. She will send out notification to the members. She also will leave the decision of future events already scheduled for the balance of this season up to the Nature's Fun Association Board.

After discussion, it was decided to go forward with the St. Patrick's Dance and review later in the week as to whether or not to hold the General Meeting.

A great number of our Canadian members are departing as Canada's Prime Minister has given a directive for their return home for insurance purposes.

Kelly moved, Janice seconded to adjourn meeting. Adjourned at 8:50 a.m.

Respectfully submitted,

Ali Robinson

Secretary
